

# Special Project

Use this form to design a project, which empowers you.

**PROJECT NAME** \_\_\_\_\_

**SPECIFIC, MEASURABLE RESULT** \_\_\_\_\_

| THE PLAN |       |        |             |                      |
|----------|-------|--------|-------------|----------------------|
|          | START | FINISH | ACTION STEP | MILESTONE/<br>RESULT |
| 1.       |       |        |             |                      |
| 2.       |       |        |             |                      |
| 3.       |       |        |             |                      |
| 4.       |       |        |             |                      |
| 5.       |       |        |             |                      |
| 6.       |       |        |             |                      |
| 7.       |       |        |             |                      |
| 8.       |       |        |             |                      |
| 9.       |       |        |             |                      |
| 10.      |       |        |             |                      |
| 11.      |       |        |             |                      |
| 12.      |       |        |             |                      |
| 13.      |       |        |             |                      |
| 14.      |       |        |             |                      |
| 15.      |       |        |             |                      |

## BACKGROUND

Value Honored/Expressed \_\_\_\_\_

Project Partners A. \_\_\_\_\_ B. \_\_\_\_\_

Theme For Year \_\_\_\_\_

Who You Are Going To Be This Year? \_\_\_\_\_
